Possession of the electronic information contained on electronic media or otherwise transmitted to the recipient as noted on the accompanying Letter of Transmittal is evidence of recipient's acceptance of, and agreement with, these restrictions:

1. Due to the potential that electronic information can be modified unintentionally or otherwise, HNTB reserves the right to remove all indices of its ownership, name, and/or involvement from electronic information not in its possession.
2. HNTB has provided the electronic information to the third party solely for your convenience. This does not eliminate or reduce your responsibility to verify any and all information relevant to your work and responsibility on this project. HNTB shall not be responsible for translation errors and does not agree to maintain the electronic information, nor to translate or reconfigure the electronic information. If errors or discrepancies are discovered, please notify our office in writing immediately. Material prepared from the electronic information shall not be used for other projects, or be transferred to any other party or entity for use on this or other projects.
3. In light of the foregoing, the recipient recognizes and acknowledges that the use of such electronic information will be at their sole risk and without any liability or legal exposure to HNTB. No warranties of any nature, whether express or implied, shall attach to the electronic information or the information contained thereon. Furthermore, recipient hereby releases and shall, to the fullest extent permitted by law, defend, indemnify and hold harmless HNTB from any and all claims, damages, losses and expenses ("Claims") including attorney's fees arising out, or resulting from the use of such electronic information, including, but not limited to, Claims involving the completeness or accuracy of any data or information contained therein.

Use of any information or data in the accompanying electronic information signifies your acceptance of the above statements without exceptions and/or modifications.
